

Robots. Drones. Artificial Intelligence.
Next-generation leading on-demand delivery company with
Quarterly Payout Bonuses

Dorado's vision is to go beyond the food delivery, to deliver 'anything customer wants', to become an 'uber' for all last-mile deliveries, leveraging existing team's know-how, platform core technology, user base and using latest innovations like drones, robots, AI to scale globally.

1

INNOVATIONS is in our DNA

Dorado is leading the way into the future by being first in its market to offer its customers an easier way to order and get stuff delivered by way of Drones, Robots, AI and network of "uber" like human couriers.

2

Quarterly Payout Bonuses of 7% Net Sales

Dorado has offered quarterly commission bonus payments within the ecosystem of **7% net sales to all Dorado active token holders** to use the platform or services.

3

Proven Business Model

Dorado has a high growth profitable business model, which can be viewed as a mix between Uber (commission fee) and Google (listing and advertising services) with 5 main revenue streams.

4

Experienced Team with Proven Track Record

Our rock-star management team has a proven track record for successful expansion and internationalization. These achievements are due to the group's development of innovative products and technology, their top-class business execution and excellent tried-and-tested marketing strategies.

5

Team Tokens will be locked for 3 years

Our goals are long term - to build a global decentralized delivery leader. To prove this, Team tokens will be locked for 3 years. (Crowdsale tokens will not be locked. Only Team Members.)

6

\$215B Target Market

Even a 1% of the total market would make Dorado a 2.15 B worth company. With the recent innovative technological innovations and experienced team we are aiming for much more.

7

Concrete Expansion Plans

We have concrete plans and teams ready to launch to 24 countries in 5 years. Our plan is to conquer all the top and most promising markets.

8

Demand for the Token

Dorado token demand is driven by the growth and usage of the token on the platform. There will be 5 utilities of the Token, each utility was designed to create activity and network effects on the platform.
